GOVERNMENT OF ORISSA
FISHERIES & A. R. D. DEPARTMENT
RESOLUTION

The 17th April 2010

SUBJECT—Reimbursement of VAT on Maize and Broken Rice used for poultry feed and Entry Tax paid on Commercial Layer Chicks, Broiler Chicks, Broiler Birds and Eggs produced inside the State.

The consumption of egg and meat of poultry is increasing at a rapid rate in Orissa. The annual egg and poultry meat production in the State is insufficient to meet the demand of the State. Owing to the increasing demand for egg and chicken in the State, the Poultry Sector has been identified as one with high growth potential capable of generating income and employment opportunities in the rural areas. Keeping this in view, the State Government has declared Poultry as Agriculture in the State vide Resolution No. 27560—AP-II(Poultry)-21/2005-Agrl., dated the 10th August 2005. Since then, numbers of steps have been taken for the development of the sector.

The poultry association and entrepreneurs have been representing to the State Government from time to time seeking incentives like exemption reduction of various taxes being paid by them for poultry farming in the State.

In consideration of the demands put forth by the Poultry Associations as well as the recommendation of the State Level Apex Committee on Poultry Development, the State Government have been pleased to sanction a scheme for full reimbursement of Value Added Tax (VAT) paid on the Maize and Broken Rice used for poultry feed by the Poultry Farmers and Integrators of Orissa and the Entry Tax paid by the poultry farmers and integrators of Orissa on Commercial Layer Chicks, Broiler Chicks, Broiler Birds and on Eggs for a period of five years. The reimbursement or entry tax shall not apply to Commercial Layer Chicks, Broiler Chicks, Broiler Birds and Eggs imported from outside the State. The detailed operational guidelines for reimbursement of VAT and Entry Tax are enclosed to this Resolution as Annexures-I and Annexure-II, respectively.

The above two reimbursement scheme shall be operational with effect from the 1st April 2010 for a period of five years. Further continuation of the scheme will be subject to third party evaluation of the outcome.

By order of the Governor
G. MOHAN KUMAR
Principal Secretary to Government
